# ABOUT US

At Portalis, we are passionate about transforming spaces into inspiring environments where functionality, elegance, and quality seamlessly align. With **15 years** of refined industry expertise, our team specializes in delivering innovative interior fit-out and design solutions across residential, commercial, and hospitality projects.

We work closely with every client to capture their unique vision and bring it to life through exceptional craftsmanship, meticulous attention to detail, and premium-quality materials. From concept to completion, we are dedicated to creating bespoke environments that reflect style, purpose, and lasting value, consistently delivered on time and within budget.

## OUR MISSION

To be the premier partner for spatial transformations across the GCC, recognized for redefining environments through architectural innovation, precision craftsmanship, and a seamless end-to-end approach that sets global benchmarks for quality and execution. By bridging imaginative design with flawless operational delivery, we aim to shape inspiring, sustainable spaces that elevate human experience and stand as timeless landmarks of excellence.

## OUR VISION

To deliver turnkey, high-end design development and fit-out solutions across the hospitality, corporate, retail, and wellness sectors. We pledge to collaborate closely with our clients to transform their concepts into functional, inspiring, and cost-effective realities, navigating complex regulatory frameworks flawlessly and consistently honouring our commitments to timelines, budget, and environmental sustainability.

# OUR CORE VALUES

- Elite Craftsmanship & Quality
- Client-Centric Partnership
- Record-Breaking Innovation
- Integrity in Commitments
- Environmental Stewardship
- End-to-End Excellence

- **MEP Engineering Integration**
- **Material Specification**
- **Technical Blueprinting**

# TURNKEY PROJECTS

**An all-inclusive, end-to-end interior solution engineered to deliver absolute peace of mind by completely owning the project lifecycle seamlessly driving execution from the initial creative concept to the final physical handover.**

- **End-to-End Accountability**
- **Streamlined Authority Approvals**
- **Material Specification**
- **Comprehensive In-House Execution**
- **SO-Certified Quality & Safety:**

# Coorporate Interiors

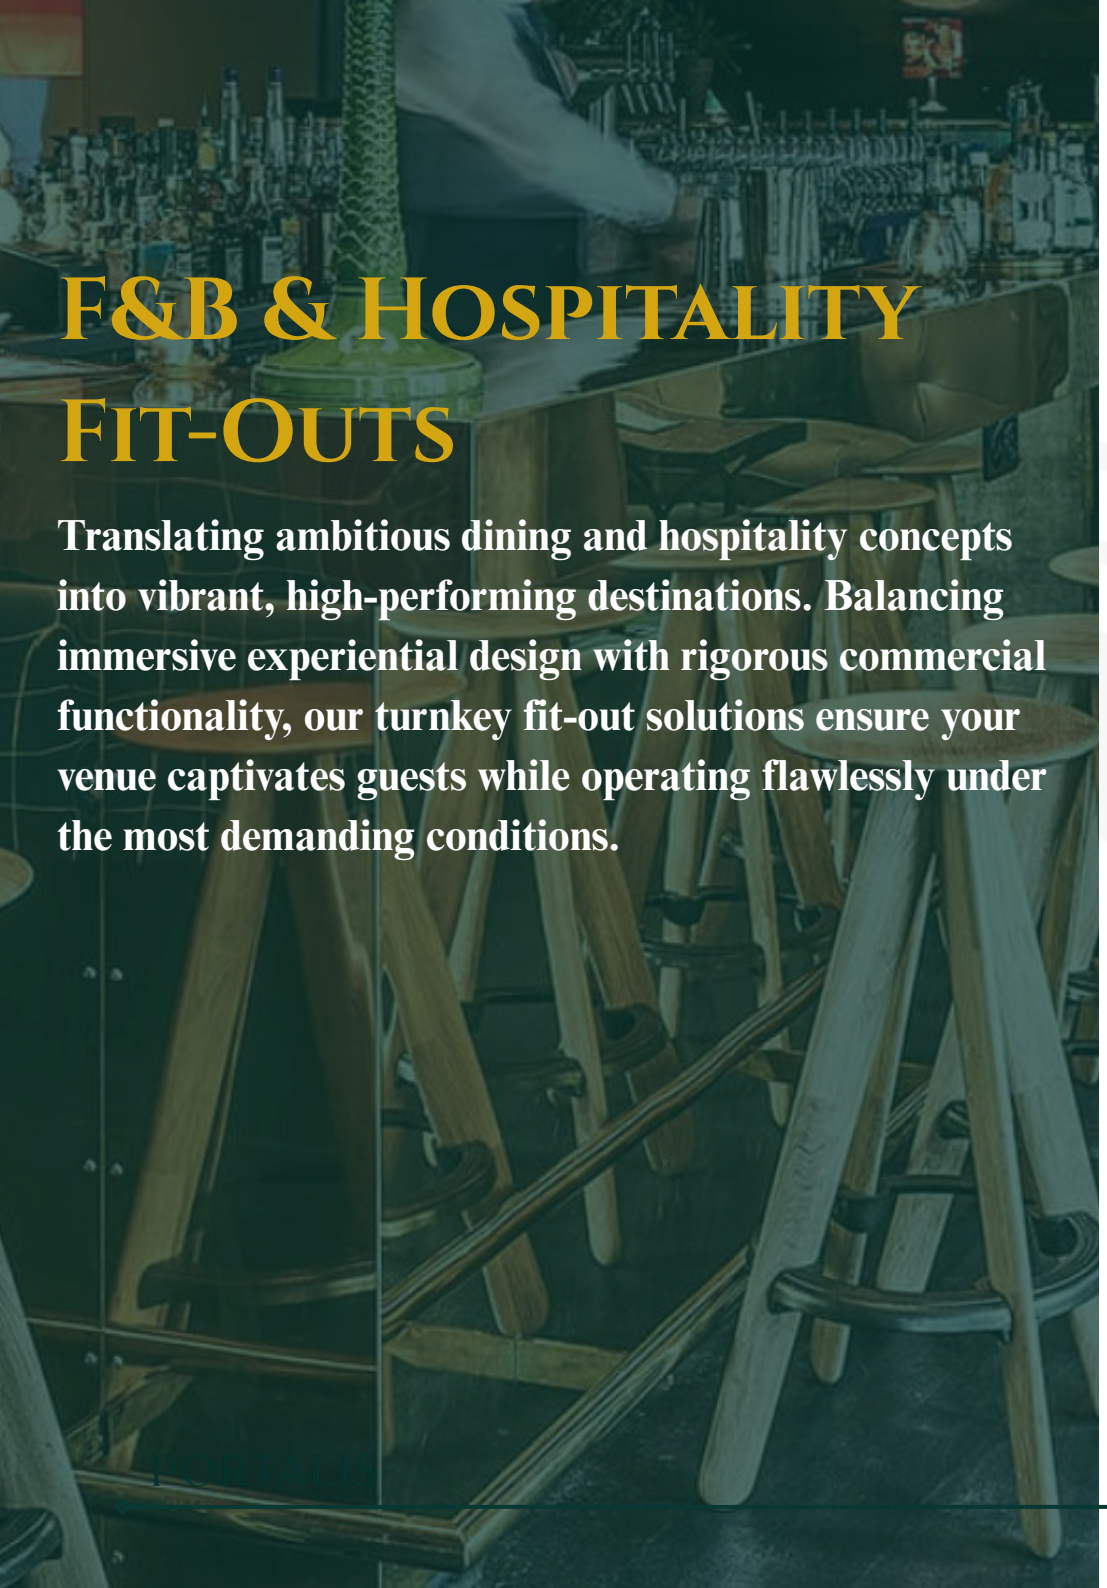
**A productivity-driven workspace solution engineered to maximize operational efficiency by completely owning the project lifecycle seamlessly driving execution from initial corporate layout and full authority approvals to the final physical handover.**

- **Productivity-Driven Workspaces**
- **Full Regulatory Management**
- **ISO-Certified Quality & Safety**
- **Full Regulatory Management**
- **End-to-End Control**

# MEP SYSTEMS

**Ensures your space performs as beautifully as it looks. Our turnkey MEP services flawlessly bridge the gap between stunning design and technical execution. From climate control and smart lighting to authority approvals, we engineer systems that run efficiently and safely from day one.**

- **Turnkey System Design & Engineering**
- **Electrical & Lighting Infrastructure**
- **Plumbing & Drainage Networks**
- **Seamless Authority Approvals**
- **Advanced HVAC Solutions**
- **Low Voltage (LV) & Digital Systems**
- **Fire Fighting & Life Safety**



# F&B & Hospitality Fit-Outs

**Translating ambitious dining and hospitality concepts into vibrant, high-performing destinations. Balancing immersive experiential design with rigorous commercial functionality, our turnkey fit-out solutions ensure your venue captivates guests while operating flawlessly under the most demanding conditions.**

- **Bespoke Restaurant Environments**
- **Custom Luxury Joinery**
- **Ambience & Lighting Controls**
- **Commercial Kitchen Engineering**
- **High-Traffic Material Selection**
- **Hassle-Free Authority Approvals**

# Retail & Wellness Healthcare

**An all-inclusive, end-to-end interior solution that delivers absolute peace of mind seamlessly driving your project from the initial creative concept to the final physical handover. We craft high-impact, fully compliant environments designed to maximize foot traffic, elevate the customer journey, and optimize patient care.**

- **Experiential Retail Design**
- **Holistic Wellness Environments**
- **Advanced Environmental Controls**
- **Compliant Healthcare Spaces**
- **Custom Retail Joinery**
- **Specialized Material Sourcing**

# JOINERY SERVICES

**An end-to-end interior solution delivering absolute peace of mind seamlessly driving execution from concept drawings to final physical installation. Powered by our advanced, in-house manufacturing facility, we craft bespoke woodwork and premium architectural fixtures that elevate your space with flawless craftsmanship and structural precision.**

- **In-House Manufacturing**
- **Architectural Wall Panelings**
- **Expert Installation & Fitting**
- **Bespoke Commercial Furniture**
- **Luxury Hospitality Fitments**

# Approvals & Compliance

**An end-to-end interior solution delivering absolute peace of mind seamlessly driving execution from concept design to final physical authority sign-off. We manage the entire legal, technical, and regulatory landscape, clearing all bureaucracy to ensure your project stays perfectly legal, code-compliant, and on track for an on-time opening.**

- **Turnkey Authority Management**
- **Civil Defense & Life Safety**
- **Utility Connections Coordination**
- **Dubai Municipality Clearances**
- **Free Zone & Master Developer Permits**
- **Final Inspections & Certification**
